

Net Effects,

Thank you very much for the nice package you sent me. I was actually thinking about popcorn one day on mission and when I got back, I received your package. It was like you read my mind. I will definitely use everything you sent me. There was only one address in the package, so I didn't know how to contact everyone but if you pass my response to everyone, that would be wonderful. I see that you ~~are~~ all are located in Chesterfield. I am from St. Louis (Florissant). I was excited to see a package from my home state. You must have gotten my info from a

website because you sent the wedding magazines I asked for. I cannot express my gratitude enough. You guys are all wonderful. May God Bless you all and your families. Thank you very much,

**Have a Wonderful Christmas
and a Happy New Year!**
